THIS IS WHAT **ACCU-BEND FREEDOM** LOOKS LIKE!

The Accu-Bend **FREEDOM** includes:

- Laptop computer + Accu-Bend software
- One-year warranty
- Full product support by The Channelletterbender

INTRODUCING A **REVOLUTIONARY** TABLE-TOP CHANNEL LETTER BENDER NOTCHES, FLANGES, AND BENDS

Leading innovator and first to bring the automated channel letter bender to the sign industry, Computerized Cutters, Inc. is proud to present the newest addition to our line-up of channel letter bending machines - The Accu-Bend **FREEDOM**. This **TABLE-TOP** model can do what full-size machines can but in a compact and portable size. Whether your customers purchase letters from a wholesaler, produce channel letters now and want to add production capacity, or are just entering the channel letter segment, the space-saving Accu-Bend **FREEDOM** IS FOR EVERYONE!

FREEDOM shown with coil table folded up to maximize shop space when not in use.

Only € 19.995,--

Sell a product with NO competition.
Targeted for a growing industry* with a 6 month (or less) payback.

Earn a great commission on each sale.

Help your customers grow by taking on more jobs and being more profitable.
No need to buy wholesale. No more bending by hand.

Increase existing consumable sales.

Become the automated channel letter expert in your area.
Portable size makes it easy to demo at the customer's facility.

Invigorate your sales team with a new product.

LEARN HOW REVOLUTIONARY THE **FREEDOM** IS!
